

Wheels

Foo Fighters

I know what you're thinkin'
We were goin' down
I can feel the sinkin'
But then I came around

And everyone I've loved before
Flashed before my eyes
And nothin' mattered anymore
I looked into the sky

Well we all want something better than
We wish for something new
Well we all want something beautiful
Wish for something true
Been lookin' for a reason and
Something to lose

When the wheels come down
When the wheels touch ground
And you feel like it's all over
There's another round for you
When the wheels come down (When the wheels come down)

Now your head is spinnin'
Broken hearts will mend
This is our beginning
Comin' to an end

Well, you wanted something beautiful
You wished for something new
Well, you wanted something better than
Wished for something true
Been lookin' for a reason and
Something to lose

When the wheels come down (When the wheels come down)
When the wheels touch ground (When the wheels touch ground)
And you feel like it's all over
There's another round for you
When the wheels come down (When the wheels come down)

Oh!

When the wheels come down (When the wheels come down)
When the wheels touch ground (When the wheels touch ground)
And you feel like it's all over
There's another round for you
When the wheels come down (When the wheels come down)

When the wheels come down (When the wheels come down)
When the wheels touch ground (When the wheels touch ground)
And you feel like it's all over
There's another round for you
When the wheels come down (When the wheels come down)
