

# Hats off to Larry

**Del Shannon**

Once I had a pretty girl,  
Her name it doesn't matter  
She went away with another guy  
Now he won't even look at her Hats off to Larry,  
He broke your heart,  
Just like you broke mine when you  
Said we must part.  
He told you lies, now it's  
Your turn to cry cry cry-why  
Now that Larry said goodbye to you. I know this may sound strange  
I want you back, I think you'll change  
But there's one more thing I gotta say Hats off to Larry,  
It may sound cruel,  
But you laughed at me when you  
Said we were through.  
You told me lies, now it's  
Your turn to cry cry cry-why  
Now that Larry said goodbye to you.
