

# Candy Girl

## Frankie Valli & the Four Seasons

My girl's like candy, a candy treat  
She knocks me right off of my feet  
She's so fine as can be  
I know this girl is meant for me Candy girl, you are my world  
You look so sweet, you're my special treat  
Candy girl, all I want to say  
When you're with me you brighten up my day All I know when I'm with you  
You make me feel so good through and through  
The way you walk and the way you talk  
You always look so good, you make me forget my thoughts Do you really love me? Do you really love me?  
Don't you really care? Don't you really care?  
Do you really need me? Do you really need me? And will you always be there?  
Ev'ry night and ev'ry day I'm always thinking of you  
In ev'ry way, all I know when I'm with you  
You make me feel so good through and through Candy girl, you are my world, you're ev'rything  
You're ev'rything, you're ev'rything to me  
Candy girl, all I want to say  
I need your love each and everyday Hey fellas, what? Check out Mike and Bobbie's ladies, ooh  
And we'll check out Rikki and Ralph, ooh  
What about Ronnie's? She's bad  
She's bad I know she's bad She walks so fast, she looks so sweet  
She makes my heart actually skip a beat  
My girl's the best and that's no lie  
She tells me that I'm her only guy That might be true but my girl's a joy  
She don't play around, she's right to the point  
My girl's like candy, a candy treat  
She knocks me right off of my feet Oh Candy, your love's so sweet  
Oh Candy, my special treat Candy, you're my candy  
Candy girl, Candy  
Candy, you're my candy  
Candy girl, Candy Candy girl, you are my world  
I need your love each and ev'ry day  
Candy girl, all I want to say, you're ev'rything  
You're ev'rything, you're ev'rything to me Candy girl, you are my world  
I need your love each and ev'ry day  
Candy girl, I need it, need it  
Need it, need it, need it ev'ry day Candy girl
