For All That I Am

The Creation

I'm sorry, made you feel sorryLast night, I came home too late
And you were there waiting
I know, it's easy to call
I guess I wasn't thinking of you
It's not that I don't care
You should know me better by nowI am sorry if I made you lonely and sad
I am sorry I made you feel bad
What I'm trying to say
I'm not always that way
So, love me for all that I amI know
(I know)
I often forget
To say that I love you
(That I love you)And yes
(And yes)
I truly regret
The times that I might have hurt you that way
It's not that I don't care
You should know me better by nowI am sorry if I made you lonely and sad
I am sorry I made you feel bad
What I'm trying to say
I'm not always that way
So, love me for all that I amTrue, I may defend the things I do
Though I know deep down I've done wrong
But when the heat comes down, it's you
(It's you)
That keeps me going onFor all that I am
I'm sorry, made you feel sorry
Trying to say that I'm not always that way
Love me for allI am sorry if I made you lonely and sad
I am sorry I made you feel bad
What I'm trying to say
I'm not always that way
So love me for all that I am
(For all that I am)
That I am
(For all that I am)
