

# For All That I Am

## The Creation

I'm sorry, made you feel sorryLast night, I came home too late

And you were there waiting

I know, it's easy to call

I guess I wasn't thinking of you

It's not that I don't care

You should know me better by nowI am sorry if I made you lonely and sad

I am sorry I made you feel bad

What I'm trying to say

I'm not always that way

So, love me for all that I amI know

(I know)

I often forget

To say that I love you

(That I love you)And yes

(And yes)

I truly regret

The times that I might have hurt you that way

It's not that I don't care

You should know me better by nowI am sorry if I made you lonely and sad

I am sorry I made you feel bad

What I'm trying to say

I'm not always that way

So, love me for all that I amTrue, I may defend the things I do

Though I know deep down I've done wrong

But when the heat comes down, it's you

(It's you)

That keeps me going onFor all that I am

I'm sorry, made you feel sorry

Trying to say that I'm not always that way

Love me for allI am sorry if I made you lonely and sad

I am sorry I made you feel bad

What I'm trying to say

I'm not always that way

So love me for all that I am

(For all that I am)

That I am

(For all that I am)
