All American Bluegrass Girl

Rhonda Vincent

Bill might be from Kentucky
And Jimmy from Tennessee
I'm an All American Bluegrass girl
And proud as I can beEach day I greet the mornin'
With the sounds of the radio
Lester Flatt was singin'
On that Martha White Show
Big K on the banjo
Marty on the mandolin
I'm an American Bluegrass girl
And proud of where I've beenChorus
Bill might be from Kentucky
Jimmy from Tennessee
Though I might be from Missouri
I'm as Bluegrass as can be
A life of Bluegrass music
With friends and family
I'm an all American Bluegrass girl
And proud as I can beAll my life they told me
You're pretty good for a girl
Someday you'll play the Opry
Just like Sonny, Bob and Earl
I'm livin' dreams I never dreamed
Mom and Daddy they taught me right
To be an all American Bluegrass girl
Who's singin' here tonightChorus 2xYeah, I'm an all American Bluegrass girl
And proud as I can be
