

Maybe Your Baby

L.A. Blues Alliance

I'm feelin' down and some kinda lonely
'Cause my baby done left me here
Heart is blazin' like a five alarm fire
And I don't even give a care
I feel like the world is turnin' on me
My dreams turnin' to ashes right in front of my face
And I, I'm gettin' kind of worried
And I feel so out of place
(Maybe your baby done made some other plans)
(Maybe your baby done made some other plans)
I feel like cryin', yeah, yeah
(Maybe baby, baby, baby)
In the mornin', when I've got a heartache
I can't call up the doctor for help
'Cause the only person that could ever do me any good
Is steppin' out with my best friend
I feel like I'm slippin' deeper
Slippin' deeper into my shell

And I, I can't take it
This stuff is scarin' me to death
(Maybe your baby done made some other plans)
Kinda makin' me worried
(Maybe your baby done made some other plans)
Little Sally Walker sittin' in a saucer
Checkin' out the guys that are passin' by
By, by, by, by, by, by, by, by, yeah
(Hey, maybe your baby done made some other plans)
(Maybe your baby done made some other plans)
Not includin' a future plan
(Maybe your baby done made some other plans)
Maybe your baby done made some other plans
Maybe your baby done made some other plans
Maybe your baby done made some other plans
