

# Come clean

## BMX Bandits

All in a day, all in a day, I am without you  
Just yesterday I was on top of my game with you  
Then I should say, when you were away I think I knew  
But I refused, I refused to see  
Why did you never come clean with me?  
Why did you never come clean with me?  
In the moment you've erased  
My ability to hate  
You were at it again  
Welcome to my new place  
Take advantage of my grace  
We're at it again, my love  
This is not so innocent  
This is not what I had planned  
I think I should be going  
Why did you never come clean with me?  
Why did you never come clean?  
So explain to me yesterday  
What of all those things you say?  
Damn, we're at it again  
Welcome to my new place  
Take advantage of your space  
We're at it again  
This is not so innocent  
This is not what I had planned  
Why did you never come clean with me?  
Why did you never come clean with me?
