Fool

Lucas Hamming

It's been a while since you've seen
People communicating
Always your pockets filled with
Cheaty lines, not tonightGive it a minute or two
Put on your shades and see through
But you donÃ¢Â€Â™t get it do you?
Always right but not tonightIÃ¢Â€Â™ve been alone for so long
IÃ¢Â€Â™ve been alone for so longSo youÃ¢Â€Â™ve been busy showing
All but you ainÃ¢Â€Â™t got nothing
Cause all is left is just an empty space
Change your waysYou still donÃ¢Â€Â™t get it do you?
Fake smiles are looking through you
Cause what is left is just an empty space
Go change your waysIÃ¢Â€Â™ve been alone for so long
IÃ¢Â€Â™ve been alone so longSay, you will get there
Like youÃ¢Â€Â™ve said before
IÃ¢Â€Â™m a fool, more than ever
Believing you once moreYou wanna be a shaker
DonÃ¢Â€Â™t wanna be a faker
Until the day will come
YouÃ¢Â€Â™re just the wrong, sober upMaybe itÃ¢Â€Â™s not a vision
Cover my eyes with reasons
YouÃ¢Â€Â™re missing out
Until the day will come to sober upIÃ¢Â€Â™ve been alone for so long
IÃ¢Â€Â™ve been alone so longSay, you will get there
Like youÃ¢Â€Â™ve said before
IÃ¢Â€Â™m a fool, more than ever
Believing you once moreOpen your arms
And embrace you could be someone
Open your eyes
ItÃ¢Â€Â™s amazing to be someoneHeÃ¢Â€Â™s been alone for so long
HeÃ¢Â€Â™s been alone so long(Guitar solo)Say, you will get there
Like youÃ¢Â€Â™ve said before
IÃ¢Â€Â™m a fool, more than ever
Believing you once moreYou wanna be a shaker
DonÃ¢Â€Â™t wanna be a faker
Until the day will come
