

Be Better Than Me

Versus You

Hey I've just lost my best friend
Hey I've just lost your helping hand
I Need to find a way out
Out of my own skin And I hope you be
What you've always wanted to be
And I hope you see
That you still mean so much to me And I hope you be
What you've always wanted to be
Be better than me
Be better than me I need to find a reason
A reason I just sleep all day
I Need to find a way out
Out of my own skin And I hope you be
What you've always wanted to be
And I hope you see
That you still mean so much to me And I hope you be
What you've always wanted to be
Be better than me
Be better than me
Oh yeah
