Yesterday

Pencey Prep

I think of running away
I can't keep running away
Can't keep feeling the same
I can't keep taking the blame
I wanna run with you
I don't care what we do,
Gotta get out of this place,
Because it feels like yesterdayDay, day, day oh oh ohThere we go
Can't be wrong
'Cause it feels like yesterday
I can't be wrong
I'm re-living yesterday
I can't be wrong
Cause it feels like yesterday
I can't be wrong
I'm re-living yester--I think of running away,
I can't keep running away
Can't keep feeling the same
I can't keep taking the blame
I wanna run with you
I don't care what we do,
Gotta get out of this place,
Because it feels like yesterdayDay, day, day oh oh ohThere we go, can't be wrong
'Cause it feels like yesterday
I can't be wrong, I'm re-living yesterday
I can't be wrong
Cause it feels like yesterday
I can't be wrong
I'm re-living yester--I think of running away, I can't keep running away
Can't keep feeling the same, I can't keep taking the blame
I wanna run with you, I don't care what we do,
Gotta get out of this place, because it feels like yesterdayDay, day, day oh oh ohThere we go, can't be wrong
'Cause it feels like yesterday, I can't be wrong
I'm re-living yesterday, I can't be wrong
Cause it feels like yesterday
I can't be wrong
I'm re-living yesterday
