Caledonia

The Alexander Brothers

I don't know if you can see
The changes that have come over me
In these last few days I've been afraid
That I might drift away
So I've been telling old stories singing songs
That make me think about where I came from
And that's the reason why I seem so far away today
So let me tell you that I love you
That I think about you all the time
Caledonia you're calling me
And now I'm going home
And if I should become a stranger
You know that it would make me more than sad
Caledonia's been everything I've ever had
Now I have moved and I kept on moving
Proved the points that I needed proving
Lost the friends that I needed losing
And found others on the way
And I've kissed the ladies and left them crying
Stolen dreams oh there's no denying

And I have travelled hard with my coat tails flying
Somewhere in the wind
So let me tell you that I love you
That I think about you all the time
Caledonia you're calling me
And now I'm going home
And if I should become a stranger
You know that it would make me more than sad
Caledonia your the best friend I've ever had
[instrumental]So let me tell you that I love you
That I think about you all the time
Caledonia you're calling me
And now I'm going home
And if I should become a stranger
You know that it would make me more than sad
Caledonia's been everything I've ever had
Caledonia's been everything I've ever had
Caledonia's been everything I've ever had
