## **Chemicals React**

## Aly & AJ

You make me feel out of my element
Like I'm walkin' on broken glass
Like my worlds spinnin' in slow motion
And you're movin' too fastWere you right, was I wrong

Were you weak, was I strong?

Yeah, both of us broken

Caught in the moment

We lived and we loved

And we hurt and we joked, yeahBut the planets all aligned

When you looked into my eyes

And just like that

The chemicals react

The chemicals reactYou make me feel out of my element

Like I'm drifting out to the sea

Like the tides pullin' me in deeper

Makin' it harder to breatheWe cannot deny, how we feel inside

We cannot denyWere you right, was I wrong

Were you weak, was I strong?

Yeah, both of us broken

Caught in the moment

We lived and we loved

And we hurt and we joked, yeahBut the planets all aligned

When you looked into my eyes

And just like that

The chemicals react

The chemicals reactKaleidoscope of colors

Turning hopes on fire, sun is burning

Shining down on both of us

Don't let us lose it

Don't let us lose itWere you right, was I wrong

Were you weak, was I strong?

Yeah, both of us broken

Caught in the moment

We lived and we loved

And we hurt and we joked, yeah

(Yeah, yeah, yeah)We lived

We loved

We hurt

We jokedWe're right

We're wrong
We're weak
We're strong
We lived to loveBut the planets all aligned
When you looked into my eyes
And just like that
Watch the chemicals react
(Yeah, yeah, yeah)
And just like that
The chemicals react
(Yeah, yeah, yeah)
The chemicals react
