

# Love Song

## Jack Off Jill

Whenever I'm alone with you  
You make me feel like I am home again  
Whenever I'm alone with you  
You make me feel like I am whole again  
Whenever I'm alone with you  
You make me feel like I am young again  
Whenever I'm alone with you  
You make me feel like I am fun again, again  
However far away, I will always love you  
However long I stay, I will always love you  
Whatever words I say, I will always love you  
I will always love you  
Whenever I'm alone with you  
You make me feel like I am free again  
Whenever I'm alone with you  
You make me feel like I am clean again, again  
However far away, I will always love you  
However long I stay, I will always love you  
Whatever words I say, I will always love you  
I will always love you  
Love you  
Love you  
Love you  
Love you...
