oh baby

LCD Soundsystem

Oh, baby
Oh, baby
You're having a bad dream
Here in my armsOh. sugar
You came to me
Could all be a bad thing
Doing harm
Oh oh ohOh. lover
You run from me
We move like a bad scene
Shot in the dark
Oh, but please
Please wake me
For my love lies patiently
Please baby, please
And my love life waits for meOh, love
You came to me
Are you having a bad time?
There in your homeOh, sugar
Give into me
You're just having a bad dream
Of ringing alarmsOh, but please
Please shake me from my lovesick patient dream
Please baby, please
And my love plays wait and see
Oh, I'm on my knees
Yeah, I'm on my knees
I promise I'm clean
But my love life waitsYou're already gone
Yeah, you're already gone
We are already home
My love life stumbles onOh, baby
Lean into me
There's always a side door
Into the dark
Into the darkShh
