By the Evening

Benjamin Booker

Your eyes run now
I'm backin' up my things
When I'm leaving
Do you hear me?How everyone goes
You got to meet me
Your eyes are running
And no one sees that
How everyone goesAnd if you're lookin' for some kind of feeling
You're taking every chance
I see that by the evening
And we'll be long gone
I will be long gone
I'll help you out
And by the evening, by the evening
I'll be long gone by the evening
