Gray Sublime Archon

Eluveitie

I raise my hand against ye, thief!
For we're accustomed to receive,
Not to give hostages
Hear these words! deeds are overt!As chaos evolves
In worthless liesA crucial congress
At sanes banksGray Sublime Archon I've been called
Through all these years I bore up
Now may we all stay the course
This dayI raise my hand against it all
I question now, did I fail?
Or retain our dignity
And shelter of this defilement?As chaos evolves
In worthless liesA crucial congress
At sanes banksGray Sublime Archon I've been called
Through all these years I bore up
Now may we all stay the course
This dayAs chaos evolves
In worthless liesGray Sublime Archon I've been called
Through all these years I bore up
Now may we all stay the course
This day
