

# Gray Sublime Archon

## Eluveitie

I raise my hand against ye, thief!  
For we're accustomed to receive,  
Not to give hostages  
Hear these words! deeds are overt! As chaos evolves  
In worthless lies A crucial congress  
At sane banks Gray Sublime Archon I've been called  
Through all these years I bore up  
Now may we all stay the course  
This day I raise my hand against it all  
I question now, did I fail?  
Or retain our dignity  
And shelter of this defilement? As chaos evolves  
In worthless lies A crucial congress  
At sane banks Gray Sublime Archon I've been called  
Through all these years I bore up  
Now may we all stay the course  
This day As chaos evolves  
In worthless lies Gray Sublime Archon I've been called  
Through all these years I bore up  
Now may we all stay the course  
This day
