Shadow

Bishop Allen

I wanna be a shadow
Silent at your feet
You turn on the light
in the dead of the night
Cuz you can't get to sleepMorning may come, an ominous feeling
We're never on the same side of the sun
If you should need me
Wherever you leave
I'll followI wanna be your footprints
In a new fallen snow
If you turn back
cuz you have to turn back
I'll lead you to homeLeave me behind you
Prepare to remind you
Just how far you have come
If you should need me
Wherever you leave
I'll followI wanna be an echo
To answer when you're crying out
If every question comes back as a question
I don't mean to cause you any doubtI wanna be a shadow
I wanna be a shadow
I wanna be a shadow
I wanna be a shadowI wanna be a shadow
I wanna be a shadow
I wanna be a shadow
I wanna be a shadow
