## **Uncle Sam**

## **Madness**

Here they come again, hop scotching up to my door One by one again, knockety knock knocking upon my floor Swinging on my gate, they gain entry by the yard Pulling at my hair they scream, paint your thoughts upon my cardBut not tonight I've got studies to examine Tomorrow I'll be watching all the Queen's men A talent contest on Monday with my Uncle Sam Who now takes up all of my time, he gives me things to do 'Cause he's a wonderful manBut I'm sailing across the sea to see my Uncle Sam I'm sailing across the sea to be with my Uncle Sam To be with my Uncle SamSilly little sniggers from the women liberators But I'll stand and hold my post Polished buttons and erect I'll raise the flag I'll show those women who's the mostBut not tonight I've got studies to examine Tomorrow I'll be watching all the Queen's men A talent contest on Monday with my Uncle Sam Who now takes up all of my time, gives me things to do He's a wonderful manBut I'm sailing across the sea to see my Uncle Sam I'm sailing across the sea to be with my Uncle SamSailing across the sea to see my Uncle Sam I'm sailing across the sea to be with my Uncle SamBut not tonight I've got studies to examine Tomorrow, and tomorrow I'll be watching all the Queen's men A talent contest on Monday with my Uncle Sam Who now takes up all of my time, he gives me things to do
