

# Joy

## Betty Lavette

I don't want you anymore 'cause you took my joy  
I don't want you anymore, you took my joy  
    You took my joy, I want it back  
    You took my joy, I want it back  
I'm gonna go to west Memphis and look for my joy  
    Go to west Memphis and look for my joy  
    Maybe in west Memphis I'll find my joy  
    Maybe in west Memphis I'll find my joy  
I'm gonna go to Slidell and look for my joy  
    Go to Slidell and look for my joy  
    Maybe in Slidell I'll find my joy  
    Maybe in Slidell I'll find my joy  
You got no right to take my joy, I want it back  
You got no right to take my joy, I want it back  
    You took my joy, I want it back  
    You took my joy, I want it back

I'm gonna go to west Memphis and look for my joy  
    Go to west Memphis and look for my joy  
    Maybe in west Memphis I'll find my joy  
    Maybe in west Memphis I'll find my joy  
I'm gonna go to Slidell and look for my joy  
    Go to Slidell and look for my joy  
    Maybe in Slidell I'll find my joy  
    Maybe in Slidell I'll find my joy  
I don't want you anymore 'cause you took my joy  
I don't want you anymore, you took my joy  
    You took my joy, I want it back  
    You took my joy, I want it back  
    You took my joy, I want it back  
    You took my, I want it back  
I'm gonna go to west Memphis  
    I'm gonna go to Slidell
