Another Planet

Creatures

I'm here, I'm here
On another planet
How's it with you
On your planet?All was surreal
On this planet
I felt so regal
It was so romanticNow, it's all changed
And the plot's unfolding
Another fairy tale
With a twisted endThey're coming out the walls
They're seeping in
There's armies of them crawling
They're coming in, they're coming in
Satellite, unthinking
Satellite above
Looks down unblinking
Satellite of thought, unthinkingThey're coming out the walls
They're seeping in
Three odd eyed tentacles
Speak in forked tonguesSprouting all over me
And I'm blossoming
I'm breaking out the walls
I'm coming in, I'm coming in
I'm coming inI'm here, I'm here
On another planet
How's it with you
On your planet?
Satellite above
Looks down unblinking
Satellite of thought, unthinkingSatellite, satellite, unthinking
Satellite, satellite, satellite, unthinking
Satellite, satellite, satellite
Unthinking, unthinking
Unthinking, unthinking
