

Real World

Men Without Hats

Excuse me sir,
Could you tell me how to get to the real world?
OH O OH WOW!

Uh huh, the world is a funny place
And it's calling you names
Hey hey, the world is a funny place, heeeey
OH O WOW!

Oh wow in the real world walking around
I think I'm falling in love again
Hey guardian angel - more light for falling in love
OH WOW!, hey hey

Ho ho the world is a funny place
And it's calling you names
Hey hey, the world is a funny place heeeey
OH WOW!

Oh wow in the real world look at the sky
Hear the calling above again
Look mom an angel - all right for falling in love
Deep down in the sea of her
Life is surrounding
You can feel like a dove and then
Like a million rainbows
Here they come again, here they come again
They call it falling in love
They call it falling
OH WOW!

In the real world lookin' around
I think I'm falling in love with them
In the garden of angels
Ho ho we're falling in love (oh wow!)
Hey hey it's a real world
Look at the ground
Can you see your reflection there
Everything is single
Here we come again
Here we come again
Hey guardian angel
Open your eyes
And all the love will make you fly -- HIGH

Real world, real world
We're in the real world
Falling in love again
We're in the real world (oh wow!)
Oh wow in the real world walking around
I think I'm falling in love again
Hey guardian angel, more light for falling in love
Hey hey it's a real world walking around
I think I'm falling in love again
Hey guardian angel,
Here we come again, here we come again
They call it falling in love (hey)
They call it falling in love (hey)
They call it falling in love (hey)
They call it falling in love (hey)
They call it falling in love (hey)
They call it falling in love (hey)
They call it falling in love (hey)
They call it falling in love (hey)
OH WOW! hey!
OH WOW!
