

America (Live At Fillmore East)

The Nice

Well, c'mon darlin', the stars are burning bright
C'mon now darlin', our lick is good tonight
'Cause we're the all time winners in the all time loser's game
Yeah, we're the all time winners and here we go again
The king and queen of America
Yeah, it's the king of nothing and the queen of rage
With a pile of confusion upon a glittering stage
You know we never did anything to make ourselves feel proud
You know we never did anything, so let's play it loud
Let's hear it for the king and queen of America
So c'mon darlin', there's a big moon in the sky
We're gonna build a little satellite, we're gonna make it fly
We're gonna send it up to heaven, all the way up to the stars
And all of them aliens are gonna find out who we are
We're talkin' 'bout the king and queen of America
