With You

Marsha Ambrosius

When I look at your face
I know what I'm feeling
Can't nobody tell me nothing
'Cause I know what I'm doing
'Bout to grab my coat
Put the keys in ignition
Can't tell you how long
I've been wishing for this moment to
Uhh, uhh, uhh
With you
I wanna, uhh, uhh, uhh
With you
When we're on the phone
You're giving me directions
Can't even hold the pen straight
Such anticipation
100 miles an hour
Can I go any faster?
Can't tell you how I been waiting
How I been waiting for this moment to
Uhh, uhh, uhh
With you
I wanna, uhh, uhh, uhh
With you
Said, I wanna, uhh, uhh, uhh, uhh, uhh, uhh, uhh, uhh

With you
I wanna, uhh, uhh, uhh
With you
In my head, I can see it so clearly
Thinking 'bout all the things I wanna do to you, babe
Do to you, babe, right now
Feels like I been waiting for a lifetime
To find someone that I want as much as I want you
As I want you, right now
You know just how much I want you, baby
With you
I wanna, uhh, uhh, uhh
With you

Said I wanna, uhh, uhh, uhh
With you
I wanna, uhh, uhh, uhh
With you, you, you, you, you, you, you, you
I wanna, uhh, uhh, uhh
With you
Said I wanna, uhh, uhh, uhh
With you
I wanna, uhh, uhh, uhh, uhh, uhh, uhh, uhh, uhh
I wanna, uhh, uhh, uhh, uhh, uhh, uhh, uhh, uhh
Just let me uhh, uhh, uhh, uhh, uhh, uhh, uhh, uhh, uhh, oh
I wanna, uhh, uhh, uhh, uhh, uhh, uhh, uhh, uhh
