

# Stop The World (and Let Me Off)

[Patsy Cline](#)

Round an' around an' around  
Round an' around an' around  
Round an' around an' around  
And around and around

Oh stop the world and let me off  
I'm tired of goin' round an' round  
I played the game of love and lost  
So stop the world and let me off

My heart is shattered can't you see  
No longer care for me  
But someday I'm sure you'll see  
Loving you did this to me

My dream world tumbled to the ground  
The one I love has let me down  
I lost the wonder of his kiss  
How could he leave me here like this

Oh stop the world and let me off  
I'm tired of goin' round an' round  
I played the game of love and lost  
So stop the world and let me off

Stop all this burning up inside  
I know his love for me has died  
I lost the wonder of his kiss  
How could he leave me here like this

Oh stop the world and let me off  
I'm tired of goin' round an' round  
I played the game of love and lost  
So stop the world and let me off
