

# Sideways

## Dierks Bentley

Hey girl, what's your name?  
It's so loud in here I can't hear a thing  
But I sure do like your style  
And I can see you came to rock  
In your blue jeans and white tank top  
Man, that look drives me wild And it's hey now, here we go  
DJ don't you play nothing slow  
Keep those girls out on the floor  
Gotta make 'em wanna come back for more Been here since the sun went down  
Be here when it comes back around  
Worked all week, it's time to play  
Gonna get a little bit sideways, sideways Ain't no need to fight  
Y'all take that redneck stuff outside  
That's what parking lots are for  
But once you're out you ain't coming back  
The velvet rope ain't got no slack  
Man, they're busting down the door And it's hey now, here we go  
DJ don't you play nothing slow  
Keep those girls out on the floor  
Gotta make 'em wanna come back for more Been here since the sun went down  
Be here when it comes back around  
Worked all week, it's time to play  
Gonna get a little bit sideways, sideways That's right Hey now, here we go  
DJ don't you play nothing slow  
Gotta make 'em wanna  
Gotta make 'em wanna  
Gotta make 'em wanna come back for more Hey now, here we go  
DJ don't you play nothing slow  
Keep those girls out on the floor  
Gotta make 'em wanna come back for more Been here since the sun went down  
Be here when it comes back around  
Worked all week, it's time to play  
Gonna get a little bit sideways, sideways  
Sideways, sideways Hey girl, what's your name?  
It's so loud in here I can't hear a thing
