Anathema

Goodbye my friend
Life will never end
And i feel like you
And i breath on truth
Love is the life breath of all i see
Love is true life inside of me
And i know you somehow
As i hold you in my heart, in my heart
There`s a fire in the sky, and i know it`s you
There`s a light, it`s all around?, and i know it`s you, i know it`s you
And i feel like you
Cause i breath on truth
For i was always there
I will always be there
