

Ever Blessed

Vybz Kartel

Your pussy coming like bible when it open up
Me see heaven you punany blessed my angel
Loving you loving you like Rachael
Your pussy coming like bible
A parable of some great sex
From you born till now that stay blessed
Never, never fraid of the AIDS test You have the ever blessed pum pum
I got to go with you
And Im in love with you like woah
The ever blessed pum pum
Got to go with you
And Im in love with you like woah
The ever blessed pum pum
Got to go with you
And Im in love with you like woah
The ever blessed pum pum
Got to go with you
And Im in love with you like woah Wine baby like say you giving me a boy baby
If it is a girl yeh me goin take it
Squeeze up me body what a birthday gift
Me see piece a heaven when that skirt there lift
Your last man make your hurt hear this
If your heart broke already me have first aid kit
Come in a me house girl a work place this
Baby you not fraid cause me burn rapist I got to go with you
And I in love with you like wow
The ever blessed pum pum
Got to go with you
And Im in love with you like wow
The ever blessed pum pum
Got to go with you
And Im in love with you like wow
The ever blessed pum pum
Got to go with you
And Im in love with you like wow You no renk like piss
Descent lover pon the heads high list
Me no kissy kissy but me feel like kiss
When me see your movie style like lips
A no tv something girl, a real life this

Balance on your right wrist
When your foot there so high girl it is a flight risk
Come a fire house a me birth place this
Baby no bother fret cause a me burn rapistI got to go with you
And I in love with you like wow
The ever blessed pum pum
Got to go with you
And Im in love with you like wow
The ever blessed pum pum
Got to go with you
And Im in love with you like wow
The ever blessed pum pum
Got to go with you
And Im in love with you like wow
