All By Ourselves

Sloan

Say what you want about me
Yeah yeah yeah
Say what you want about me
Right nowAll by ourselves
All by ourselves
She wanted to show we can do anything
You can read all about it in the book that's been flying
Off the shelves
There's dozens of sales but they say that all good things
And that is scary at times
Come in twelvesSay what you want about me
Yeah yeah yeah
Say what you want about meRight now
All in good time
All in good time
This story could work as a tellable tale
But the do-it yourselfers want to do it so they can
See a dime
Chances are you could see us selling as south as
Anaheim
Keep dreaming, if you know me well then you
Willing to take that chance
Know that I'm
Keeping in mind I believe that we're history makers(please tell me who you think you're affecting)
But the do-it-yourselfers are preparing for that one too
I only hope we can make it in time
(keep dreaming cause I know you're collecting)
Oh yeah
But nothing's for sure, is for sureYeah yeah yeah
Say what you want about me
Say what you want about me
Right now
Say what you want about me
Yeah yeah yeah
Say what you want about meRight nowYou've got me
Tearing and turningTurning and tearing out
Turning and tearingTurning and tearing
Tearing and turningTurning and tearing off
Turning and tearing

Tearing and turning
Turning and tearing out
