

# Never Grow Up

Taylor Swift

Your little hands wrapped around my finger  
And it's so quiet in the world tonight  
Your little eyelids flutter 'cause you're dreaming  
So I tuck you in, turn on your favorite night light  
To you, everything's funny  
You got nothing to regret  
I'd give all I have, honey  
If you could stay like that  
Oh, darling, don't you ever grow up, don't you ever grow up  
Just stay this little  
Oh, darling, don't you ever grow up, don't you ever grow up  
It could stay this simple  
I won't let nobody hurt you  
Won't let no one break your heart  
No, no one will desert you  
Just try to never grow up, never grow up  
You're in the car on the way to the movies  
And you're mortified your mom's dropping you off  
At 14, there's just so much you can't do  
And you can't wait to move out someday and call your own shots  
But don't make her drop you off around the block  
Remember that she's getting older, too  
And don't lose the way that you dance around  
In your PJs getting ready for school  
Oh, darling, don't you ever grow up, don't you ever grow up  
Just stay this little  
Oh, darling, don't you ever grow up, don't you ever grow up  
It could stay this simple  
No one's ever burned you  
Nothing's ever left you scarred  
And even though you want to  
Just try to never grow up  
Take pictures in your mind of your childhood room  
Memorize what it sounded like when your dad gets home  
Remember the footsteps, remember the words said  
And all your little brother's favorite songs  
I just realized everything I have  
Is someday gonna be gone  
So here I am in my new apartment

In a big city, they just dropped me off  
It's so much colder than I thought it would be  
So I tuck myself in and turn my night light on  
Wish I'd never grown up  
I wish I'd never grown up  
Oh, I don't wanna grow up, wish I'd never grown up  
Could still be little  
Oh, I don't wanna grow up, wish I'd never grown up  
It could still be simple  
Oh, darling, don't you ever grow up, don't you ever grow up  
Just stay this little  
Oh, darling, don't you ever grow up, don't you ever grow up  
It could stay this simple  
Won't let nobody hurt you  
Won't let no one break your heart  
And even through to you want to  
Please try to never grow up  
Don't you ever grow up  
(Never grow up)  
Just never grow up
