

# Don't Stop

## Scooter

The clock is tickin'  
And I'm here wishin'  
This new found love  
Will find no end  
Don't wanna feel  
Another feelin'  
Don't wanna know  
What time will send  
I wanna stop  
The earth from turnin'  
The rain from fallin'  
The wind from blowin'  
But don't stop  
(Stop)  
The love from growin'  
Keep that river flowin'  
We can find a way  
Don't stop  
(Stop)  
The love from showin'  
I don't want tomorrow  
Just give me today  
Don't stop  
(Stop)  
Stop the hands of time  
Hold back the time  
And make forever  
The same as the moment  
I felt your love  
You've touched my heart  
Erased the pain  
The memories and mistakes  
I made  
(Stop)  
The earth from turnin'  
The rain from fallin'  
The wind from blowin'  
Don't stop  
(Stop)

The love from growin'  
Keep that river flowin'  
We can find a way  
Don't stop

(Stop)

The love from showin'  
I don't want tomorrow  
Just give me today  
Don't stop

(Stop)

The flame from burnin'  
Stop tomorrow's hurtin'  
From seein' the light  
Don't stop

(Stop)

My heart from beatin'  
Keep the time from fleetin'

Into the night

Can't think about tomorrow's fears  
'Cause today is here to stay  
Clear away all of yesterday's tears  
There's nothin' to block our way

(Stop)

The earth from turnin'  
The rain from fallin'  
The wind from blowin'  
The sun from shinin'  
Can't find the reason

Another season

Could never match your

Love so pleasin'

Don't let it go

No no no no no

Don't stop

(Stop)

The love from growin'  
Keep that river flowin'  
We can find a way  
Don't stop

(Stop)

The love from showin'  
I don't want tomorrow  
Just give me today  
Don't stop

(Stop)

The flame from burnin'  
Stop tomorrow's hurtin'  
From seein' the light

Don't stop

(Stop)

My heart from beatin'  
Keep the time from fleetin'  
Into the night

Don't stop

(Stop)

The love from growin'  
Keep that river flowin'  
We can find a way

Don't stop

(Stop)

The love from showin'  
I don't want tomorrow

Just give me today

Don't stop the love

Stop the time

Another day

To keep you mine

Don't stop the love

Stop the time

Another day

To keep you mine
