Deep End

Autograph

Yeah, alright, I'm at the bottom, lookin' up
Been there before but once ain't enough
I tried to quit but there ain't no way
I can't live by the light of dayI'm goin' down on a sinkin' boat
I'm off the deep end, throw me a ropeWell, I'm off of the deep end
Yes, I'm off of the deep end
I'm off of the deep end
Somebody throw me a ropeThird strike and I just can't win
I'm a victim of a life of sin
I tried to quit but there ain't no way
Got this guitar and I got to playI'm goin' down on a sinkin' boat
I'm off the deep end, throw me a ropeWell, I'm off of the deep end
Yes, I'm off of the deep end
I'm off of the deep end
Somebody throw me a ropeI'm goin' down on a sinkin' boat
I'm off the deep end, throw me a ropeI'm off of the deep end
I'm off of the deep end
I'm off of the deep end
I'm off of the deep end
(Somebody throw me a rope)I'm off of the deep end
(I'm goin' down on a sinkin' boat)
I'm off of the deep end
(Somebody throw me a rope)
I'm off of the deep end
(Yeah, yeah, yeah)Alright children, I'm goin' down
