

# C'mon Everybody

[Bryan Adams](#)

Well c'mon everybody and let's get together tonight  
I got some money in my jeans and I'm really gonna spend it right  
Well I been doing my homework all week long  
Now the house is empty and the folks are gone....hey!  
C'mon everybody! Well we're gonna have a party so we better put a guard outside  
Cause if the folks come home well they're really gonna have my hide  
Well there'll be no more music for a week or two  
No more hangin' round with the usual crew....hey!  
C'mon everybody! Well c'mon everybody and let's get together tonight  
Well c'mon everybody and let's get together tonight  
Well there'll be no more music for a week or two  
No more hangin' round with the usual crew....hey!  
C'mon everybody!
