

# How Far I'll Go

[Auli'i Cravalho](#)

I've been staring at the edge of the water  
Long as I can remember  
Never really knowing why I wish I could be the perfect daughter  
But I come back to the water  
No matter how hard I try Every turn I take, every trail I track  
Every path I make, every road leads back  
To the place I know where I cannot go  
Where I long to be See the line where the sky meets the sea?  
It calls me  
And no one knows  
How far it goes If the wind in my sail on the sea stays behind me  
One day I'll know  
If I go there's just no telling how far I'll go I know everybody on this island seems so happy, on this island  
Everything is by design  
I know everybody on this island has a role, on this island  
So maybe I can roll with mine I can lead with pride, I can make us strong  
I'll be satisfied if I play along  
But the voice inside sings a different song  
What is wrong with me? See the light where it shines on the sea?  
It's blinding  
But no one knows  
How deep it goes And it seems like it's calling out to me  
So come find me  
And let me know  
What's beyond that line, will I cross that line? See the line where the sky meets the sea?  
It calls me  
And no one knows  
How far it goes If the wind in my sail on the sea stays behind me  
One day I'll know  
How far I'll go
