Daisy

Goodbye June

Loose tongues talking behind closed doors
I bet they see me walking back for more
I gotta wild idea, maybe, a wild idea
So come a little closer you got nothing to fearYou step away, I scream your name
Can't nothing save you, lady
You drive me crazy, Daisy
My beating heart, your shaking hips
Oh, come kill me right, baby
You drive me crazyI kept you late in my father's car
Tight and close and we went too far
But I'm wild, but sober, baby, clear as a bell
If your lips are the devil, then I'm going to hellYou step away, I scream your name
Can't nothing save you, lady
You drive me crazy, Daisy
My beating heart, your shaking hips
Oh, come kill me right, baby
You drive me crazy
