Wide River

Steve Miller Band

Wide river, she opens her mouth to the sea
Singing dear, dear ocean, now here is a kiss from meAnd she runs like a river to the setting sun
She runs like a river that has never been won
She runs like a river that will always be freeWide river carry me back home
To the place I love that I call my ownAnd we can run like a river to the setting sun
Run like a river that has never been won
Run like a river that will always be freeWide river do you remember me
It was not so long ago that you set me freeAnd now I run like a river to the setting sun
I run like a river that has never been won
I run like a river that will always be freeCome on baby let's run in circles
Come on darling let's circle each other
And find the love, all the love that we needCome on baby, let's circle each other
Well, we can do, do for each other
I'll do for you, and you'll do for meAnd we can run like a river to the setting sun
Run like a river that has never been won
Run like a river that will always be freeAnd we can run like a river to the setting sun
Run like a river that has never been won
Run like a river that will always be freeAnd we can run like a river to the setting sun
Run like a river that has never been won
Run like a river that will always be free
