

# Wide River

## Steve Miller Band

Wide river, she opens her mouth to the sea  
Singing dear, dear ocean, now here is a kiss from me And she runs like a river to the setting sun  
She runs like a river that has never been won  
She runs like a river that will always be free Wide river carry me back home  
To the place I love that I call my own And we can run like a river to the setting sun  
Run like a river that has never been won  
Run like a river that will always be free Wide river do you remember me  
It was not so long ago that you set me free And now I run like a river to the setting sun  
I run like a river that has never been won  
I run like a river that will always be free Come on baby let's run in circles  
Come on darling let's circle each other  
And find the love, all the love that we need Come on baby, let's circle each other  
Well, we can do, do for each other  
I'll do for you, and you'll do for me And we can run like a river to the setting sun  
Run like a river that has never been won  
Run like a river that will always be free And we can run like a river to the setting sun  
Run like a river that has never been won  
Run like a river that will always be free And we can run like a river to the setting sun  
Run like a river that has never been won  
Run like a river that will always be free
