Blowing Smoke

Taylor Dukes

You always say youâ€™re gonna call
I lay in bed waiting by the phone
Now itâ€™s 2 AM
So I guess you wonâ€™t

Youâ€™re the king of playing tricks on me
Youâ€™re a lover of deceit
And I donâ€™t know why
I just canâ€™t leave

Oh, shouldnâ€™t be so complicated
Itâ€™s obvious this love is jaded

Ohh youâ€™re blowing smoke
Youâ€™re hot and cold
Stringing me along
And Oh, I canâ€™t say no
Even though
I know youâ€™re just blowing smoke

Youâ€™re never asking me to stay
And I know its cause
Someone else is on the way
Youâ€™ll be kissing her
Putting my lips to waste

And Iâ€™m convinced
Youâ€™re addicted to this
Killing my confidence
But you always seem to pull me back in

Oh, shouldnâ€™t be so complicated
Itâ€™s obvious this love is jaded

Ohh youâ€™re blowing smoke
Youâ€™re hot and cold
Stringing me along
And Oh, I canâ€™t say no
Even though

I know youâ€™re just blowing

Smoke is clouding my view
Canâ€™t seem to find my way back to
Leaving you

Ohh youâ€™re blowing smoke
Youâ€™re hot and cold
Stringing me along
And Oh, I canâ€™t say no
Even though
I know youâ€™re just blowing smoke

Blowing blowing smoke
Blowing blowing smoke
Blowing blowing smoke
