## Stars

Tomorrows light hurts my eyes  
Still see me with you  
Loose lies, Loyal eyes  
Lovers ment toBe ok while we faid  
Misbehave  
Toxic HolidayWe were tight, We were tired  
Watching eachother sleep  
Just your face keeps me awake  
Can my body beatBe ok while we faid  
Misbehave  
Toxic Holiday  
Be ok while we faid  
Misbehave  
Toxic Holiday, Toxic Holiday,  
Toxic HolidayCelebrate, carbonate  
Lack the days i call low  
Cause it's just us in all our rust  
Beautiful, HorribleBe ok while we faid  
Misbehave  
Toxic Holiday  
Be ok while we faid  
Misbehave  
Toxic Holiday, Toxic Holiday,  
Toxic Holiday
