Bad Guy(OST Iron Man 3)

30H!3

Gather up your loved ones, gather up your friends

'Cause this is when the bad guy, the bad guy wins.

Gather up your loved ones, gather up your friends

'Cause this is when the bad guy, the bad guy wins. Now there once was a man

Who was tall and handsome

The best shot in the land

Not to mention good at dancing

A hit with the ladies

A heartthrob with the daughters

Cool with the guys

Regular Roy Rogers

He was a man of his word

And he did what he said

whiskey in the water

And blood in the creek

The outlaw has a glass eye and a scar on his cheek

The town hall's a saloon

And the women are whores

No houses around to put locks on the doors

He dreamt he was a king, safe in his bed

(Sh-sh-shot him dead)

Gather up your friends

'Cause this is when the bad guy

The bad guy wins.

Pray to whichever God forgives your sins

'Cause this is when the bad guy,

Gather up your loved ones,

Gather up your friends

'Cause this is when the bad guy

The bad guy wins.

Pray to whichever God forgives your sins

'Cause this is when the bad guy,

(Sh-sh-shot him dead)
