

# Keep an Eye on Me

## Frida Sundemo

Keep an eye on me,  
Keep an eye on me  
Keep an eye on me  
Won't you?  
Keep an eye on me  
Won't you? I promise I won't fall apart  
I only need to sense the edge  
I promise I won't go too far  
Seen me through won't you  
Don't let me lose my way  
Won't you?  
Won't you?  
Keep an eye on me,  
Keep an eye on me  
Keep an eye on me  
Won't you?  
Keep an eye on me  
Won't you? Keep an eye on me,  
Keep an eye on me  
Keep an eye on me  
Won't you?  
Keep an eye on me  
Won't you?  
If you promise to stand your ground  
I will know just where to land  
So, please promise you will be around  
Stay with you, won't you  
I know you'll understand  
Won't you?  
Won't you?  
Won't you? Keep an eye on me,  
Keep an eye on me  
Keep an eye on me Keep an eye on me,  
Keep an eye on me  
Keep an eye on me
