Postcards

Weatherstar

You dropped your coat by the door
I ran outside to watch you drive away
From me
And my eyes
They won't believe
My heart is trying desperately to beat
And lately I'm speeding up my breathing
And my hands are shaking all the time

'Cause I don't wanna let you go
And I can't sleep or breathe when I'm alone
If I could just go back in time
I wouldn't make the same mistakes
If I could just go back in time

I'm looking at what we wrote
In old postcards
And counting the times you'd repeat yourself
And I just wanna hold you
You know I just, I just can't let you go
[I just can't let you go...]

'Cause I don't wanna let you go
And I can't sleep or breathe when [and] I'm [all] alone
If I could just go back in time
I wouldn't make the same mistakes
If I could just go back in time (x4)

I wouldn't make the same mistakes if I could just go back in time
