

I Shake I Move

LMFAO

I shake I move and the girl get hot,
I shake I move and the girl get hot
I shake I move and the girl get hot
I shake I move I shake I move and girl get hot Walk in the club, with that attitude, that I'm in love, I'm in love
with you
I'm on the floor and I bust my moves, you getting horny can I control you
No the girl and girl give me your booty, let me slap it, like I was your daddy
She, she wants me badly 'cause I'm more than god I shake I move I shake I move and then the girl get hot I
shake I move and the girl get hot,
I shake I move and the girl get hot
I shake I move and the girl get hot
I shake I move I shake I move and girl get hot Okay, let's play a game to see who can do it, move like a maniac
main off the fluid
Add it to Lucy this ain't a scene it's a dance floor baby it's a dance floor
Put them on the dance floor light it up like a candle (what)
(Put them on the dance floor light it up like a candle) Ya, ya b****, even though I'm rich I ain't afraid to act like
a fool like a motherf****ing kid I shake I move the shake and the girl get hot,
I shake I move and the girl get hot
I shake I move and the girl get hot I shake I move and girl get hot,
I shake I move and girl gets hot Alright, Oh Alright, Oh Alright
