

# Ease My Mind (with Niki & The Dove)

[Skrillex](#)

In a deep sleep  
Awakened, by the dragons  
Kept you hidden, here with me  
Was not prepared, for a dead end Take me, take me downtown  
Tonight, I want to forget  
I want lights to, blind me  
I want peace, want to disappear (To disappear) Oh DJ, ease my mind will you  
Play that song again, 'cause we were in love  
Before, before the rain began  
And if I cry-y, cover my ears Oh DJ Oh Play that song again, 'cause we were in love oh Pla-pla-pla-play that  
song again, cause we were in love Take me, take me downtown  
Tonight, I want to forget  
I want lights to, blind me  
I want peace, want to disappear Oh DJ, ease my mind will you  
Play that song again, 'cause we were in love  
Before, before the rain began  
And if I cry-y, cover my ears Oh DJ Oh DJ Pla-pla-pla-pla-play that song again, 'cause we were in love Oh DJ  
Ease my mind, will you?  
Play that song again  
'Cause we were in love (DJ) Oh DJ
