Dignity

Hilary Duff

You got the hottest shoes
You got those Jimmy Choes
You never get the blues
It's always all about you
Wake up late, no time to waste
Better check that phone
There's a club too close
Where's your, where's your, where's your dignity?
I think you lost it in the Hollywood Hills
Where's your, where's your, where's your dignity?
Can't buy respect, but you can pick up the bill
Pick it up, pick it up
It's all you got, it's all you got
Pick it up, pick it up
'Cause the money makes your world go round
The money makes your world go round
Always with Mr. Right
But then you have a fight
Run into your friend's ex
He's happy to be your next
Tomorrow's papers comin' out
So kiss him fast
Watch the cameras flash
Where's your, where's your, where's your dignity?
I think you lost it in the Hollywood Hills
Where's your, where's your, where's your dignity?
Can't buy respect, but you can pick up the bill

Pick it up, pick it up
It's all you got, it's all you got
Pick it up, pick it up
'Cause the money makes your world go round
The money makes your world go round
You'd show up
To the opening of an envelope
Why does everybody care
About where you go?
It's not news when you got a new bag
It's not news when somebody slaps you

It's not news when you're lookin' your best
C'mon, c'mon, c'mon give it a rest
Pick it up, pick it up
It's all you got, it's all you got
Pick it up, pick it up
'Cause the money makes your world go round
Where's your, where's your, where's your dignity?
(The money makes your world go round)
Where's your, where's your, where's your dignity?
('Cause the money makes your world go round)
Where's your, where's your, where's your dignity?
(The money makes your world go round)
Where's your, where's your, where's your dignity?
('Cause the money makes your world go round)
'Cause the money makes your world go round
