

# Someone To Love You

## Ruff Endz

Mmm, yeah  
Mmm, mmm, mmm, mmmI picture that I could read your mind  
And tell you everything you're going through  
Baby, I cry to find a thousand reasons why  
You're alone and acting so coldTell me how long you've been this way  
Maybe I can open up your heart  
See, I've been waiting all my life for someone just like you  
And I know you've been waiting too  
For someone to love youAll you need is someone who cares (For someone to love you)  
Someone who will always be there (Mmm, mmm)  
All you need to say is that you want me to be with you  
Girl, I know you waited so long  
For someone to love youOoh  
Mmm, mmm, mmmBaby, I wish I could be there  
For every time you ever shed a tear  
Baby, I hate to see a pretty girl like you  
Going through the things that you do, yeahGirl, I think you've gone to far too long  
Without a good man to make you smile  
Now how can I appeal to you and make you understand  
That I'm here, when you're waiting for  
Someone to love youBaby you been waiting for the man from all the fairy tales  
Or maybe just the man from all your dreams  
Try to think reality, lets talk possibilities  
Cause girl you know you've waited so long  
For some one to love you  
(oooh-yooh-yooh-yoooh)  
(for someone to love you)  
(waited ooh so long)All you you need is someone who cares  
(all you need!, all you need!-baby-)  
Is someone who always be there  
(in the middle of the night!, in the middle of the night!)  
All you need is someone who cares  
( I ain't trying to play no games with you-no,no-)  
Someone who will always be there  
(never leave your son no more-)  
(all you need!)  
All you need is someone who cares  
(someone to love you endlessly)  
(all you need)

Someone who will always be there  
(more like a man like me)  
All you need is someone who cares  
(baby open up your heart!) All you need, all you need  
Someone who will kill for you  
All you need  
Someone who kills  
Holds you  
I'll kill for you  
All you need!  
( I want to be there come on, come on, come on  
All you need is someone who cares
