Not My Day (Mick Schultz Remix)

Keith James

Hey there lover
Damn I miss you
It's been crazy
I'll paint this picture
Dropped my pancakes on my mattress
Tried to pull off, tires flattening
Lost my celly
In my coffee
Then got yelled at
By miss bossyIf my luck doesn't change
I'll be out of my brain by tonight
When your head's out of place
You're behind in the race of lifeOh just not my day, not my day (not my day)
Not my day, naw
It's just not my day
Not my day, not my day (not my day)
Not my day, naw, it's just not my dayJammed my finger in the stapler
Knocked my taco off the table
Had a ticket
When I left work
Then got caught up on, the social networkIf my luck doesn't change
I'll be out of my brain by tonight
When your head's out of place
You're behind in the race of lifeSometimes it's just not my day, not my day
Not my day, naw
It's just not my day
Not my day, not my day
Not my day, naw, it's just not my day
Not my day, not my day
Not my day, naw, it's just not my day
Not my day, not my day
Not my day naw, it's just not my dayOh oh oh
What you treasure is who you are
Go and get it
Oh oh oh
If it starts to fall apart
Give it all you got 'cause
Folks will hurt, and down your worth
Don't let them take you outMaybe it's not their day

Not their day
Maybe its not their day
Not their day
(Won't let them hold me down)
Not my day, not my day
Not my day, naw
It's just not my day
Not my day
Not my day (sometimes its just not my day)
Not my day, naw
It' s just not my day (yeah)
