

# Start a War (Live at Ars Cameralis)

## The National

We expected something, something better than before  
We expected something more Do you really think you can just put it in a safe  
Behind a painting, lock it up and leave?  
Do you really think you can just put it in a safe  
Behind a painting, lock it up and leave?  
Walk away now and you're gonna start a war Whatever went away, I'll get it over now  
I'll get money, I'll get funny again  
Whatever went away, I'll get it over now  
I'll get money, I'll get funny again  
Walk away now and you're gonna start a war We expected something, something better than before  
We expected something more You were always weird but I never had to hold you  
By the edges, like I do now  
We were always weird but I never had to hold you  
By the edges, like I do now  
Walk away now and you're gonna start a war Whatever went away, I'll get it over now  
I'll get money, I'll get funny again  
Whatever went away, I'll get it over now  
I'll get money, I'll get funny again  
Walk away now and you're gonna start a war  
Walk away now and you're gonna start a war
