

# The Game of Love

## Daft Punk

There is a game of love  
There is a game of love  
This is a game of love  
This is a game of love Then it was you  
Then it was you  
The one that will be breaking my heart  
When you decided to walk away  
When you decided to walk away The one that will be breaking my heart  
When you decided to walk away  
When you decided to walk away There is a game of love  
There is a game of love  
This is a game of love  
This is a game of love Then it was you  
Then it was you  
The one that will be breaking my heart  
When you decided to walk away  
When I wanted you to stay Then it was you  
I just wanted you to stay  
And I just wanted you to stay  
Me, I just wanted you to stay  
Me, I just wanted you to stay
